writer: Ed Sheeran, Amy Wadge

[D] When your [F#m] legs don't work like they [G] used to be-fore [A]
[D] And I [F#m] can't sweep you off of your [G] feet [A]
[D] Will your [F#m] mouth still remember the [G] taste of my love [A]
[D] Will your [F#m] eyes still smile from your [G] cheeks [A]

And darling [D] I [F#m] will be loving [G] you [A] 'til we're seven-[D]ty [F#m] [G] [A]
And baby [D] my [F#m] heart could still fall [G] as [A] hard at twenty[D]-three [F#m]
[G] And I'm thinking' [A] bout [A] how

[Em] People fall in love in mys-[A]terious [D] ways
[Em] Maybe just the touch of a [A] hand
Well [Em] me I fall in love with you [A] every single [D] day
[Em] And I just wanna [G] tell you I [A] am

So honey now [D] [F#m] [G] Take me [A] into your loving [D] arms [F#m] [G]
Kiss me [A] under the light of a [D] thousand stars [F#m] [G]
Place your [A] head on my beating [D] heart, [F#m] I'm thinking [G] out [A] loud
That maybe [Bm] we [A] found [G] love [D] right [Em] where [A] we [D] are

[D] And when my [F#m] hair's all but gone and my [G] memory fades [A]
[D] And the [F#m] crowds don't remember my [G] name [A]
[D] When my [F#m] hands don't play the [G] strings the same way [A]
[D] I know [F#m] you will still love me the [G] same [A]

Cause honey [D] your [F#m] soul could never [G] grow [A] old it's ever-[D]green [F#m] [G] [A]
And baby [D] your [F#m] smile's forever [G] in my [A] mind and mem-[D]ory [F#m] [G]
And I'm thinking [A] 'bout how

[Em] People fall in love in mys-[A]terious [D] ways
And [Em] maybe it's all part of a [A] plan
Well [Em] I'll just keep on making the [A] same mis-[D]stakes
[Em] Hoping that you'll under-[A]stand

But baby now [D] [F#m] [G] Take me [A] into your loving [D] arms [F#m] [G]
Kiss me [A] under the light of a [D] thousand stars [F#m] [G]
Place your [A] head on my beating [D] heart, [F#m] I'm thinking [G] out [A] loud
That maybe [Bm] we [A] found [G] love [D] right [Em] where [A] we [D] are
