

# LET ME BE THERE - Olivia Newton-John.

**VERSE 1**

Wherever you go,                  wherever you may wander in your life,  
Surely you know,                  I always wanna be there  
Holding your hand,                  and standing by to catch you when you fall  
Seeing you through                  In everything you do

*Let me be there in your morning let me be there in your night*

*Let me change whatever's wrong and make it right (make it right)*

*Let me take you through that wonderland that only two can share*

*All I ask you...uuu.... is let me be there*

Watching you grow and going through the changes in your life  
That's how I know I always wanna be there  
Whenever you feel you need a friend to lean on, here I am  
Whenever you call, you know I'll be there
